TOWN OF MAIDSTONE UPDATED 02/04/2021
WASTE AND RECYCLABLE DISPOSAL INFORMATION

The purpose of Act 148, the new recycling law is to encourage more recycling thereby reducing waste. A list of recyclable items will accompany this letter.

1. You may pick up your bags at the Maidstone Town Office during office hours. Beginning in July, you may pick up your free 52 bags for full time residents and 26 bags for seasonal residents, allowing 1 bag per week per year. You may put out more than one purple bag per week.
2. If you use your bags before July, you may purchase additional bags. **EACH ROLL OF 26 BAGS will cost \$78.00**, or by the bag at \$3.00 per bag.
3. The bags hold up to 30 to 35 pounds each. The bags are purple and are imprinted with "Town of Maidstone" in black print. Unofficial bags will not be picked up. If you use a trash bin, you may place the bag in the bin.
4. Lists of items that need to be recycled are included with this information, as well as lists of acceptable **bulky item disposal materials** that shall be collected on **July 31st 1342 Route 102**, between 8 a.m. and noon at Bradley and Cheryl McVetty's residence. See below for other acceptable items.
5. The pickup schedule was already sent in a mailing.
6. Continue to place recycling in separate recycling bins according to recycling guidelines.
7. The more you recycle, the fewer purple bags you will need. Why not agree to combine with a neighbor who only uses a small portion of their bag? .

Additional information on this act and other waste or recycle questions may be obtained by contacting the NEKWMD at www.nekwmd.org, or calling 800 734-4602.

****HHW Collections are free and open to residents of all DISTRICT TOWNS****
 The NEKWMD reserves the right to terminate any collection event if storage capacity is reached.

Please limit HHW disposal at listed events to 30 gallons.

HHW Collection events are limited to District Households.

If you have more than 30 gallons, or need to dispose of business' HHW, please call our office for an appointment at our Lyndonville facility May 4 – Oct. 2, 2020.

Not going to be able to make any of these dates? NOT A PROBLEM! The NEKWMD will be accepting these materials by appointment at our Lyndonville facility from *May 4, 2021 to October 5, 2021*. Due to regulatory handling requirements, hazardous wastes will not be accepted without an appointment. Scheduling ahead ensures that a qualified individual will be on-site ready to accept your hazardous waste.

What are *Household Hazardous Products*? They are consumer products that contain ingredients that **may be:**

Toxic- poisonous if eaten, breathed, or absorbed through the skin

Corrosive- can burn or destroy living tissue if spilled on skin

Reactive- creates fumes, heat, or explosion hazards if mixed with certain materials such as water

Explosive- can explode with exposure to heat or pressure

Flammable/Ignitable- can easily be set on fire

To determine if a product in your home is hazardous, check the label for the following words:

Danger indicates that the substance is extremely flammable, corrosive, or toxic.

Poison means that the substance is highly toxic.

Caution/Warning is put on all other hazardous substances that are a somewhat lesser hazard, but are still dangerous if the directions are not followed closely.

Conditionally Exempt Generator businesses can also use the Lyndonville collections for the actual cost of the disposal of their materials. Please call ahead for pricing and an appointment.
